TOWN OF HEMPSTEAD 2022 TIDE TABLE

Ahoy Friends!

Residents throughout America's largest township can enjoy all the benefits the Town of Hempstead's prime coastal location offers – whether it's a relaxing cruise on our pristine waterways or casting lines into our bountiful bays. Hempstead Town is the proud home to 180 miles of vast waterways and over 17,000 acres of wetlands.

The Town of Hempstead's Department of Conservation and Waterways does a tremendous job in preserving all waterfronts including the ocean, bays and canals. Collaborative efforts with the Hempstead Town Bay Constables, who are responsible for surveying and enforcing water laws, have greatly assisted in maintaining a safe environment for all wildlife, boaters and fishers.

This handy guide will provide residents with the knowledge of when to safely navigate Hempstead Town's beautiful waterways for the year 2022. For more information, please contact the Department of Conservation and Waterways at (516) 897-4100, (516) 431-9200 or visit the town website at hempsteadny.gov.

I encourage all residents to keep this resourceful guide within arm's reach when traveling our countless waterways, bays, waterfronts and canals for the most ideal experience. Anchors aweigh!

Sincerely,
Don Clavin
