

TOWN OF HEMPSTEAD 2021 TIDE TABLE

Dear Friends,

Nestled comfortably along the Atlantic Coast, Hempstead Town's prime waterfront location is one of the many benefits residents enjoy living in America's largest township. While we continue to contend with the COVID-19 pandemic, we are fortunate to have 180 miles of pristine coastal waterways and more than 17,000 acres of beautiful wetlands that we can appreciate while remaining socially distant.

We have our Department of Conservation and Waterways to thank for preserving these waterways and wetlands; including the ocean, bay and canals. All conservation and navigation laws are enforced by Hempstead Town Bay Constables, who patrol frequently to ensure smooth sailing for fishers and recreational boaters.

Be sure to keep this helpful tide table chart handy as it provides the high tide times for 2021. For more information, please call the Department of Conservation and Waterways at 516-897-4100, 516-431-9200 or visit the town website at HempsteadTownNY.gov.

I am positive this guide will remain an important resource as you traverse the Town of Hempstead waterways. Anchors aweigh!

Sincerely,

 DON CLAVIN
 Supervisor
