

# TOWN OF HEMPSTEAD 2019 TIDE TABLE

Dear Friends,

The Town of Hempstead is comfortably nestled along the Atlantic Coast, containing over 17,000 acres of stunning wetlands and 180 miles of pristine coastal waterways. Its prime location is a core part of what makes our township such a great place to live, work and raise a family.

The Department of Conservation and Waterways is dedicated to preserving these areas, including the ocean, bays and canals. The town's Bay Constables enforce all conservation and navigation laws, ensuring smooth sailing for fishers and recreational boaters.

For your reference, we have provided a tide table for local waterways. For more information, please call the Department of Conservation and Waterways at (516) 897-4100, (516) 431-9200 or visit [www.HempsteadNY.gov](http://www.HempsteadNY.gov).

This handy guide will prove to be a valuable resource as you sail along Hempstead Town waterways.

Sincerely,

*Laura A. Gillen*  
**LAURA A. GILLEN**  
 Supervisor
